One Thing We Can All Agree ... God is with the Vulnerable and the Poor

By Beverly Cunningham

He came for our sins
He died for the lost
He rode on a donkey
Crucified on the cross

Born of a virgin
To his own became a stranger
Gold, Frankincense, Myrrh
The Son of Man in a manger

Betrayed by Judas
Washed by Mary
And on his back
The cross to carry

Crown of thorns
For all to see

King of Kings
My God's forsaken me

Soon the world would know
After rolling the stone away,
Jesus the Nazarene
Rose on the 3rd day.

So be patient, dear friends
Genesis to Revelation
Rejoice cause he's returning
Tis the coming jubilation

Remember the message
To this sinful world I beg
It's Jesus and the cross
And his rising – Not the Egg!

Easter Blessings to You, Dear Member of the Catch, and to Your Family
